

## CHANGES TO KING SOOPERS COMMUNITY REWARDS

Effective April 1, King Soopers is changing the way they reward organizations. Rather than being rewarded when you reload a King Soopers gift card, organizations will now be rewarded via customer loyalty cards.

Before April 1, please reload any King Soopers gift cards you may have, so that Sunrise Missions can receive maximum benefits before the change goes into effect. After April 1, you can still reload your gift cards, but Sunrise Missions will no longer benefit when you do.
