Sunrise Preschool Information

2019~2020

State Licensed

Sunrise Preschool is licensed by the State of Colorado Department of Human Services. Licenses are contingent upon continued conformity to the requirements set forth by law. These standards are enforced to ensure a safe environment for your child and relate to the physical assets of our school as well as staff qualifications, health and safety procedures, records and teacher/child ratios.

Qualified Staff

Our teachers strive to provide a Christian atmosphere along with a developmentally appropriate curriculum. The entire staff has gone through background checks and have been fingerprinted by the Colorado Bureau of Investigation. All teachers also have a degree in Elementary Education or Early Childhood Education which meet or exceed requirements set forth by the State of Colorado.

Learning Programs

At Sunrise Preschool, we believe each child is a special and unique individual. Each activity is designed to enhance the child's academic, spiritual, social, emotional and physical development. Our primary goal is that each child sees himself as a special creation of God, thus encouraging a positive self concept. Self confident children feel comfortable with themselves and are more apt to ask questions and explore the world around them.
